La Gravière Bellefond 2016

Graves

With the approval of Mr BRIDET, the owner of the estate of La Gravière Bellefond, we have chosen to take the exclusivity of the brand La Gravière de Bellefond en 2004 with the objective to improve the image and the quality of the brand. The vineyard (with approximatively 15 yields), is divided by two parts: 9 yields are used for the red wines and 5 yields for the whites. Both of it enjoy a very good soil.

Bordeaux Tradition

A very good color, with green and gold reflections. In nose, the bunch is really fruity with some important grapefruits flavors. In mouth, an explosion of flavors (grapefruit first) but also a great acidity. Finally, the wine is flexible, long, and full-bodied.
