

Monsieur Frédéric Ardouin, Technical Director of Château du Tertre
About Vintage 2015

« 2015 vintage at Château du Tertre : a very high homogeneity both at the formation of the grapes but also in terms of ripening. Exceptional weather conditions in the spring and mild temperatures allowed a "slow" harvest, respecting the maturity plot by plot and grape after grape varieties. The first vats confirm our forecasts : very colorful wines, dense , fruity , expressive and tasty. They express notes of very ripe black fruit. »
