

ANGELUS

2010 - « L'OPULENT »

This vintage provided clement weather for winegrowers: disease scarcely developed and a combination of sunny days and cool nights helped the development of refined polyphenols. This is a classic vintage, amazingly rich and outstandingly precise. It has a deep black color, strong, pure aromas and an impressive, subtly expressed tannic structure. This lushness combined with its elegant freshness that comes mainly from the beautiful Cabernet Franc grapes, makes this magnificent vintage a very long-keeping wine.
