

ANGELUS

2014 - « L'INDIEN »

This great vintage started with a tricky spring and a difficult summer, but we were fiercely resolved not to give up and to read the vines and understand their needs. Then from 25th August onwards, day after day of lovely weather came along and our confidence returned. We took risks and waited to start harvesting. Finally October arrived, golden, warm and magnificent, enabling us to delay picking the old Merlot vines for a few days and wait for the Cabernet Franc grapes to ripen fully. This vintage has a very pure, elegant nose. The attack is clear, and the wine progressively gets bigger, reaching a very sophisticated balance between the magnificent quality of the tannins, substance, tension and freshness. There is 50% Cabernet Franc in the blend, which elevates the elegance of the wine's tannic structure and makes the finish complex and long.

Harvest: October 2nd to 22nd
Blend: 50 % Merlot, 50 % Cabernet Franc
