# CHATEAU CLERC MILON

The wine is a crimson-hued garnet red.

Elegant and refined, the nose exudes floral aromas, going on with airing to develop notes of blackcurrant and liquorice root.

The full and smooth attack reveals an alluring and complex array of flavours in which ripe fruit is magnificently set off by notes of toasted cereals and violet.

The mid-palate is underpinned by high-quality, close-knit and creamy tannins, leading into a saline and slightly minty finish which lingers on hints of chocolate.

## 2019 WEATHER REPORT

The year started with a warmer- and drier-than-usual winter, with the temperature reaching a record 24.7°C on 27 February. The mild weather triggered an early start to the vine cycle, which gradually slowed with the arrival of a cooler spring and lower-than-average temperatures. As a result, flowering finally took place around the normal time.

After sharply contrasting conditions in June, when a late cold spell and heavy rainfall were followed by an early heatwave, very fine weather prevailed in July. The summer was particularly sunny and hot, leaving the vines in perfect condition on the eve of the harvest. A few welcome showers in July and August greatly helped to dispel any fears of dehydration.

Picking at Château Clerc Milon took place between 19 September and 9 October. Although a few drops of rain fell during the harvest, the conditions remained generally very good, guaranteeing grapes of outstanding quality.

Mirroring nature's generosity in 2019, the wines are very rich, deeply coloured and with good alcohol content. Close-knit, satin-smooth tannins make this a very promising vintage.

**HARVEST:** From 19 September to 9 October.
