Decanter "It has beautiful aromatics, gorgeous red fruits and an overall feeling of brightness and cohesion. It's fresh, succulent and easy to recommend."

WINEENTHUSIAST "It is a delicious wine already with fine fruitiness and a layer of tannins at the back."

JAMESSUCKLING.COM "Quite tannic but in a very attractive way with blueberries, currants and spices."

Rebecca Gibb MW "Elegant with lots of concentration and silky texture but without any sense of heaviness that has been seen so widely in this vintage."
