Wine Enthusiast	91-93	This wine is full of black fruit notes that are balanced by ample acidity. It has fine, firm tannins as a background to the generous fruit. Drink this ripe, smoky wine from 2022.
James Suckling	90-91	This shows lots of good riper fruit of morello cherries and blackberries. Supported by a core of fine yet ripe tannins, this is carried forward to a fruity finish.
Wine Spectator	88-91	Bright, fresh and racy, featuring cassis and bitter cherry fruit zipping through, with sleek tannins and acidity. Light floral and iron notes run throughout.J.M.
