

## Primeurs 2017

### **JAMES SUCKLING - APRIL 2018**

#### **CHATEAU LAGRANGE 2017**

**92 – 93:** A 2017 with serious depth of fruit and firm tannins. Solid center palate. Fresh and long finish. Should come out nicely.

#### **LES FIEFS DE LAGRANGE 2017**

**89 – 90:** A juicy and fruity red with dark-berry and chocolate character. Some lemon undertones. Medium body and a tannic finish.

### **VINOUS – ANTONIO GALLONI - MAY 2018**

#### **CHATEAU LAGRANGE 2017**

**89 - 92:** The 2017 Lagrange is wonderfully pliant, with creamy tanins and more than enough juiciness to make it extremely appealing, even in the early going. Ripe dark cherry, chocolate, new leather, licorice, cedar and dried herbs run through this super-expressive, inviting Saint Julien.

#### **LES FIEFS DE LAGRANGE 2017**

**88 – 91:** The 2017 Les Fiefs de Lagrange is a very pretty, silky wine. Bright red-toned fruit and lifted floral notes give this attractive, mid-weight Saint Julien its personality and overall fell. In 2017, the Fiefs is especially refined, not to mention absolutely delicious.

### **WINE SPECTATOR - JAMES MOLESWORTH - AVRIL 2018:**

#### **CHATEAU LAGRANGE 2017**

**89 - 92:** Juicy and open-knit, with blueberry and black currant fruit energized by brambly structure and fresh acidity. A touch shy on density, but has purity and typicity.

### **JEB DUNNUCK - APRIL 2018**

#### **CHATEAU LAGRANGE 2017**

**91 – 93**

### **WEINWISSER - MAI 2018**

**Château Lagrange 2017 – 18**

**Yves BECK – May 2018**

**Château Lagrange 2017**

92 - 93: Pourpre violacé. Bouquet filigrane, complexe aux notes de framboises, de mûres et de cassis. Touche épicée. Attaque friande et fruitée. Au palais, le vin est juteux, fruité et doté d'une belle intensité aromatique. Les tannins présentent un grain fin et sont en synthèse avec la structure. A eux deux, ces éléments forment un bon support. Finale fruitée et juteuse. 2022–2035

**DECANTER - JANE ANSON - APRIL 2018**

**CHATEAU LAGRANGE 2017**

90 : This has been a tough vintage for Lagrange, but they have worked well with it. It has carefully extracted cassis and blackberry fruit, and some lovely, elegant oak dusting. It doesn't have the depth of expression of the past few years, but is extremely accomplished and softly spoken. It will offer huge amounts of pleasure.

**Christer BYKLUM – May 2018**

**Château Lagrange 2017**

92 - 94: Ruby. Floral, fruity, dark berries, anise, scented nose. A bit tighter this year. Fresh acidity, ripe tannins, fresh, fruity, red berries, anise, juicy, playful, long. Lovely effort.

**SCHWEIZERISCHE WEINZEITUNG – HANS-MARTIN GESELLMANN – Mai 2018**

**Château Lagrange 2017**

18 : Würziges Bouquet, Kaffee, Cassis, Kirsch, Gute Dichte, saftig, feines tannin, feiner Säuerbogen, Himbeeren, Brombeeren, Preiselbeeren im Nachhall, gute Länge.
