Tenue solide, tannins présents mais mûrs, fruits noirs et prune, bonne allonge rigoureuse.

15,5/20

Great purity of fruit, wild berries, fine spices, cassis, good density and a fine backbone of acidity and tannin, elegant, concentrated and long finish, nicely made.

Dark purple red with violet hue and black center. Clean nose with juicy fruit and hints of minerality. On the palate well balanced, juicy character, medium weight and length.

This is a harmonious mix of firm, extracted tannins and dense fruit. It has a dark, hard edge at this youthful stage, suggesting this is always going to be a wine that is tough. At the same time, it has weight and richness to support the structure.
