Bright crimson. Lots of sweet fruit, juicy red fruit, succulent and filled with fruity pleasure. You could pretty much drink this now, the fine tannins are just in the background. All freshness. (JH)

Barrel Sample. This Merlot-dominated wine is soft with easy fruit, gentle tannins and a fine, juicy backdrop of black currant flavors. It is lively and fruity, with great acidity and a light structure. It will be ready for drinking early. (4 Janvier 2018)
