

CHÂTEAU
TROPLONG MONDOT
1^{er} GRAND CRU CLASSÉ

Since 2017 and the full acquisition of the estate by our share holder SCOR, 4th world reinsurer, we have initiated a **long-term strategy** to carry Troplong Mondot to the hilt of the appellation of Saint Emilion and among the very best wines of the planet.

- A different interpretation of the terroir since 2017, aiming for wines expressing the true unicity of our vineyard, in a bright style, with a **great balance** between freshness and the natural density of the clay, precision and aromatic richness. 2020 represents for us a true achievement of this style and is probably the best Troplong Mondot made so far.
- The investment in a state-of-the-art winery, at the top of modern technology will help us reach our goals.
- A very balanced distribution (20% USA, 20% ASIA, 60% EUROPE). The number of professional customers of Troplong Mondot has risen by more than 78% these past 2 years (**more than 900 customers**), demonstrating a true confidence in the wine and the estate. **The potential to continue to grow this distribution and to reach new customers remains important, we know you can do it!**
- The ever-growing quality of the wine, the growth of the distribution and the increase growth of the demand.
- The full renovation of the estate makes of Troplong Mondot a unique place around wine, gastronomy and the art of welcoming.
