

COS D'ESTOURNEL

COS D'ESTOURNEL

2021

- A strict selection of our greatest terroirs whose vines are 55 years old on average.
- Our teams met the contrasted weather events of the 2021 vintage with ceaseless vigilance and precision in their approach to the specificities of each plot.
- Subtle mineral notes balance an incredible concentration, resulting in a noble and remarkably long wine.
- A classic, particularly refined expression of our singular terroir that is certain to age very well.
