Date de mise : (Estimation) Juin 2015

Notes et Commentaires de Dégustation :

JAMES MOLESWORTH - WINE SPECATOR - APRIL 2014

87 - 90 / 100

*Very fresh and bright, with plum, red currant and raspberry notes that have good energy through the briar-tinged finish. Nicely focused.*

JAMES SUCKLING - APRIL 2014

89 - 90 / 100

*Lots of blueberry and dark-chocolate character. Medium to full body with very good fruit in the center palate and a medium finish.*

GAULT MILLAU - JUIN 2014

17 / 20

*Bel exploit que de proposer une mâche généreuse sans pour autant durcir la finale tout en gardant le charme des fruits tendres. Les épices viennent ensuite pour réchauffer l'ensemble, qui, somme toute, reste frais et vivifiant.*

JANCIS ROBINSON – APRIL 2014

16 / 20

*Lots of flashy new oak giving a sweet spiciness on the nose. Pretty light black fruit character as this could do with a bit more oomph. Too reliant on wood flavours, for me.*

LA SELECTION BETTANE + DESSEAUVE – AVRIL 2014

16 / 20

*Valeur sûre : Régulier comme une horloge, on retrouve Château Dassault aux belles places tous les ans. Bonne définition élégante et ferme, fruit rouge précis, tanin bien dessiné, allonge.*

NEAL MARTIN – APRIL 2014

86 - 88 / 100

*The Dassault 2013, is bestowed with a vanillary, candied, bouquet with a lot of new oak, but there is sufficient red cherry fruit underneath to support it. The palate is balanced on the entry but towards the finish it becomes excessively oaky. This will need time to fully integrate but it is decent effort. I just hope that they have not over-compensated for the vintage.*

PRIMEURS TV - APRIL 2014

89,5 / 100

MARKUS DEL MONEGO

ANDREAS LARSSON

DECANTER.COM – APRIL 2014

15 / 20

*Chocolate notes on the nose and palate. Marked acidity leaves the finish a little hard and astringent.*
