

COS D'ESTOURNEL

D'ESTOURNEL

2021

- A packaging with a stronger link to the world of Cos d'Estournel.
- A wine born in the Coulée vineyard and created by the team of Cos d'Estournel with just as much dedication and precision as for the other wines.
- With a more extreme weather than that of Cos d'Estournel, the ages of the vines that grow there, their deep root systems, meticulous leaf thinning, and the freshness generated by the nearby Gironde Estuary allowed the vines to adapt.
- A lively, velvety texture accompanies the wine's characteristic roundness, making for a truly delectable wine.
