

# G d'Estournal 2022, Velvety

Our vines planted in the northern Médoc near the Gironde Estuary have given rise to a G d'Estournal that strikes an exceptional balance between its characteristic vivacity and the vintage's generosity.

It is very expressive, with intense fruity notes of blackcurrant and blueberry, the freshness of peppermint, and round aromas of gingerbread.

Rich and energetic, G d'Estournal 2022 is a veritable treat that begs to be shared.
