Antonio Galloni (Vinous)

91-94/100

A **gorgeous second wine**. Far from an easygoing second wine, that much is pretty clear.

James Suckling

92-93/100

Medium-bodied with round, lightly chewy tannins and a juicy finish.

William Kelley (Wine Advocate)

90-92/100

Impressively rich and concentrated for a second wine in this vintage.

Jane Anson

90/100

Classically balanced, enjoyable, old school, successful in the vintage and suggests again that St Estèphe is a high spot in 2021, because **so few 2nd wines have performed this well**.
