 "The palate is medium to full-bodied with great intensity and energy, displaying vibrant red and black fruits with wonderful acidity and ripe, rounded tannins, finishing long and lively."

**JAMESSUCKLING.COM** "Very fine and polished with blackberry and blueberry character. Medium to full body, integrated tannins and a focused finish. Almost Burgundian."

**Decanter** " (...) there's a lovely mineral, slaty, salty tang on the finish which emphasises the purity of the red fruits. This is a very good Quintus, elegant and with less concentration than in recent years, but highly enjoyable."
