Production: Saint-Julien Terroir of one block  
(Surrounded by 2nd Crus Classés)

## Terroir

About forty hectares planted to the west of the Clos de Léoville Las Cases, and to the north Saint-Julien appellation  
 Homogeneous soils with **fine sandy-clay quaternary gravel**  
 35 years average age of the vines  
 Vineyards dating back to 1884, planted to express the **quintessence of Saint-Julien**  
 More and more drastic **intra-plot selections from the best origins of the terroir**

## Identity

The first label dates from 1902: unique and timeless  
 An **ideal Saint-Julien** wine, noble and silky, with excellent ageing potential  
 A must-have wine, **demonstrating gentle power, combining sapidity and richness**
