### Analysis:

Alc: 13,4 %  
AT: 3,39  
pH: 3,49  
IPT: 73

### Ageing procedure:

14 to 16 months in barrels.  
New barrels: 50 %  
One year old barrels: 50 %

### Tasting notes:

May/June heavy rains together with low temperatures in spring and summer, unlike previous years, led to a more classical Pomerol vintage style, in particular with less sun influences.

Our château Gazin 2021, a pure merlot wine, shows notes of red fruit (morello), black current and also , more subtle floral fragrances, like violet and iris.

The wine offers a fine structure. It is rich, round without over powerness.

In mouth this vintage has a silky and pleasant touch, long in the palate and well balanced with freshness and energy.
