[...] Gorgeously pure cassis, smoked earth, graphite, tobacco, and crushed stone define the aromatics, and it's full-bodied, with a layer, concentrated mid-palate, fine tannins, and a great finish. **The purity and precision here are truly something.**

[...] La matière tannique est fine et précise, très raffinée. Elle exprime sa personnalité avec fermeté mais aussi douceur. **On apprécie le relief ainsi donné au vin qui brille de profondeur**, avec des fruits concentrés qui ont su conserver une bonne fraîcheur.

[...] The palate is medium-bodied with sculpted tannins, very tensile, intense yet weightless toward the long graphite-infused finish. **This is just superb.**

This elegant expression of Pauillac displays its wealth of cassis, blackberries, chocolate, and flowers easily in the perfume. **The palate, however, is where this shines.** The layers of ripe, sweet, crème de cassis, peppery, currants, licorice, dark cocoa, and a touch of citrus meld together perfectly. **The wine is refined, clean, packed with fruit, reasonably forward, and filled with character.** [...]

Un nez frais et tentant, revigorant, sur des notes de fruits noirs, de pruneaux, d'iris, puis une bouche structurée, sculptée, tout en dentelle. **De la douceur, pour un vin très long, gourmand et appétissant sur la finale.**

M. Bettane et L.V Charvet 18 mai 2023

[Bettane & Desseauve](#)

Un vrai pauillac avec de la fraîcheur dans le corps, un tannin qui lui donne de l'allonge. **Il emprunte un peu de la finesse du grand vin dans ce millésime.**

[...] Limpid, lithic and very impressive, with the **kind of mid-palate detail and pixilation that you normally only expect to find in a grand vin.** Very fresh and very juicy. The little touch of Petit Verdot (infused in amphorae) brings additional spice and pepper and reinforces the leafy undernotes. **Really excellent.**

The 2022 Les Griffons de Pichon Baron is super-impressive. Silky, medium in body and gracious, **the 2022 is incredibly charming.** [...] This classy Pauillac is showing very well today. **The Griffons is a serious second wine** that will benefit from a few years of cellaring.

[...] Clear strength, this is not a simple or necessarily charming wine, **it has a serious side with tension and a streamlined nature.** Lots of precision and structure but also fruit purity, balancing acidity and generosity.

After tasting this wine, I immediately understand that winemaker Pierre is eager to show elegance in 2022 [...]. Compared to past vintages, Les Griffons de Pichon Baron exudes more softness, making it highly drinkable even at a young age. I believe that within 2-3 years of bottling, it's capable to enjoy to the fullest.

[...] A very compete palate, a true chip off the old Pichon-Baron block as it should be, even if the blend is quite dependent on Merlot. That 4% of Petit Verdot makes a difference, of course. **An impressive Les Griffons this year.**

[...] this is a lovely, chiselled wine, and the Cabernets used here come from a different spot to those found in Tourelles; they are always darker and more intensely flavoured. Each of the wines in the Pichon Baron portfolio has such distinct characteristics in 2022, and **Griffons is the one that feels most like a genuine chip off the Grand Vin's block.**
