

CHÂTEAU LA GAFFELIÈRE

PREMIER GRAND CRU CLASSÉ

Nous avons le plaisir de vous informer d'une nouvelle note
pour le millésime 2018

"The 2018 La Gaffelière is a little closed on the nose at present, demands coaxing before revealing scents of blackberry, bilberry and white pepper aromas. There is something enigmatic about the bouquet. The palate is medium-bodied with fine grain tannins. The oak is beautifully integrated and there is real tension and mineralité on the finish. I must confess that I was not expecting this to be as good as it shows. It is an outstanding La Gaffelière that will age with panache. In over 20 years of tasting this property, this is easily the finest that I have encountered." **Neal Martin**
