

DOMAINE DE LA SOLITUDE

LE DOMAINE

This wine estate, owned by the Holy Family order of nuns since 1854, is located in Martillac, in the north-west part of the Graves Region and the heart of the Pessac-Léognan appellation.

In 1993, the sisters decided to hand over management of **Domaine de la Solitude** to the Bernard family, owners of the prestigious great growth **Domaine de Chevalier**.

The meticulous, professional care taken in the vineyard and the cellar produces wine that ranks among the finest in the Pessac-Léognan appellation.

Domaine de la Solitude has been producing a tiny quantity of "Rosé wine" for around 15 years.

Variety is mainly Cabernet Sauvignon.

In 2009 we have chosen a new way to vinify this high quality Rosé. Pale colour, intense and fruity aromas, elegance and delicatessen on the finish.

We have also chosen a very aesthetic white glass bottle from the best of France.

A very pretty label gives more elegance and modernity.

Packaging is superb.

TASTING

Soft hues, bright pink pastel

A clear and fresh nose, charming and appealing of perfectly slightly tangy little red berries. A subtil cocktail of aromas sustained with intense notes of raspberry, currant and wild strawberry.

The palate shows all this, generous, energetic and greedy flavors, fully consistent with the nose. Really well balanced among smoothness, acidity and freshness.

A great clearness and a nice long fruity finish.

Drink at 10°C
