## LE DOMAINE

This wine estate, owned by the Holy Family order of nuns since 1854, is located in Martillac, in the north-west part of the Graves Region and the heart of the Pessac-Léognan appellation.

In 1993, the sisters decided to hand over management of **Domaine de la Solitude** to the Bernard family, owners of the prestigious great growth **Domaine de Chevalier**.

The meticulous, professional care taken in the vineyard and the cellar produces wine that ranks among the finest in the Pessac-Léognan appellation.

Domaine de la Solitude has been producing a tiny quantity of “Rosé wine” for around 15 years.

Variety is mainly Cabernet Sauvignon.

In 2009 we have chosen a new way to vinify this high quality Rosé. Pale colour, intense and fruity aromas, elegance and delicatessen on the finish.

A very pretty label gives more elegance and modernity.

Packaging is superb.

### TASTING

Pretty brilliant pink ocher color.

Floral, subtle and delicate aromas with hints of exotic fruit.

Fruity, tasty palate follows a great sensation of freshness, radiance and precision.
