

Château Barrail Meyney 2019

Bordeaux Rouge

Château Barrail Meyney is located in the township of Genissac between the Garonne and the Dordogne rivers at ten kilometers from Libourne near Saint-Emilion. The hard work done by the ESBEN family in the wine making process is one of the reasons why Bordeaux Tradition has been working with this estate for many years. The wines produced are always of great quality whatever the vintage.

Bordeaux Tradition's mind

This vintage 2018 offers a delicate, fruity wine with relatively rich tannins. The palate is supple and balanced. It will reach its peak around 2022.
