

Château Bujeau La Grave 2013

Bordeaux

The vineyard of Château Bujeau La Grave is located in Saint-Laurent du Bois on table-lands and undulating slopes composed of clay and limestone. The estate has belonged to the REAUT family for many generations now. We have selected this wine as it is a great quality/price ratio but also because the wine is awarded almost every year. Incredible for this price!

Bordeaux Tradition

The wine is very fruity, supple and shows harmonious tannins. With its carmine color the wine is intense and possesses berry, redcurrant aromas as well as such as a toasted flavor. The wine is full-bodied and embellishes the mouth. This is certainly one of our best products and is at the level of the vintage: excellent.

Why buy this wine?

- Very good quality/price ratio
- Frequently awarded during the wine fairs of Bordeaux, Paris and Macon
- Neighbor of the prestigious vineyard of Château Thieuley
