- Bottling at the Château

Œnologue conseil: Eric BOISSENOT

TASTING NOTE

Color
Purple rim, limpid
Nose

A complex and highly appealing toasted notes, to black fruit.

Palate

This entry is very elegant, fine and racey. The palate is long and powerful. It is very fresh and onctuous in the mouth, this reveals sweetness is perfectly balanced by acidity.

Finish

Plenty of substance in the finish with good tannic and aromatic length. This is a wine with plenty of expression.
