

Château Croix de Reverdi 2016

Haut Médoc

The Thomas Family is deeply rooted in the Left bank terroir for many generations. Mathieu & Audrey Thomas (brother and sister) are now at the head of two Lustrac Cru Bourgeois, often praised by the journalists and the wine lovers (Ch. de Reverdi / Ch. L'Ermitage).

Ch. Croix de Reverdi is the 3rd property of the Family. In the heart of Haut Médoc, near Cussac and overlooking the river, it benefits from an exceptional situation. Combined with the experience of the Thomas Family, it was obvious it had to enter in our portfolio. And so, we distribute this estate in exclusivity for more than 20 years now. Certified HVE (High Environmental Value) since 2015, Ch. Croix de Reverdi continues to deliver, vintage after vintage, the essence of its blessed terroir.

Bordeaux Tradition

2016 has been an intense vintage for Audrey & Mathieu, from the growing season until the beginning of the harvest (3rd October). But the result is worth it. Vinified in vats as usual to preserve the brightness of the fruit, the 60% Black Merlot / 40% Cabernet Sauvignon blend has benefited from a special care during the ageing process in Oak barrels. In results, 2016 shows deep fruit aromas, a seducing velvety mouth and a level of complexity rarely seen in the former vintages.
