

CHÂTEAU HAUT-BAGES LIBÉRAL

PAUILLAC . 5º GRAND CRU CLASSÉ EN 1855

FACTSHEET
Vintage 2010

The name of Château Haut-Bages Liberal has two roots. The LIBERAL family ran the property in the early eighteenth century. Brokers from father to son, they sold the harvest in the Netherlands and Belgium. Their name adjoining to the topographical designation, earned them to be invited worldwide to the table of political parties of the same name. Over time, these connoisseurs gathered the best soils of Pauillac. Thus, this 5th Classified Growth in 1855 now has half of its vineyards adjacent to Château Latour and the other half behind Château Pichon Baron, on the heights of the locality "Bages", a large plateau in the south of Pauillac.

The property would regain his youth when, in 1960, the Cruse family, owner of Château Pontet Canet, another 5th Classified Growth in Pauillac, acquired the property. The Cruse would launch an extensive program of replanting the vineyard. However, it was in 1983 at the arrival of the Villars family that Château Haut-Bages Libéral really recovered its former glory. Today, the property is run by Claire VILLARS LURTON. She undertook an overhaul of the tool of winemaking and she directs the vineyard management to a sustainable viticulture.

Owner Claire VILLARS LURTON

Production manager Stefano RUINI
Winemaking consultant Eric Boissenot
Surface of the wineyard 30 hectares

Soil Deep gravels from the Quaternary on limestone-clay substrate

Plantation 75% cabernet sauvignon, 25% merlot

Average age of vineyard 35 years

Density 10 000 plants/ha
Yield 800 g/plant

Growing Traditional-Integrated wine growing management

Harvest Hand picking

Vinification Traditional in stainless and concrete vats,

whose volumes are proportional to the plots

Fermentation on skins 18 to 21 days

Blending 72 % cabernet sauvignon, 28 % merlot

Aging In oak barrels during 16 months. 40% of new oak

Production 110 000 bottles including the second wine

Second vin La Chapelle de Bages, la Fleur de Haut-Bages Libéral, le Pauillac de Haut-Bages Libéral

Conservation 5 to 50 years

CHARACTERISTICS OF THE VINTAGE

Overall, the winter of 2010 was cold and dry, thus causing a late start to the vegetation. A warm spring then led to a fast and uniform bud bursting. The flowering of cabernet sauvignon was also rapid thanks to a perfect weather (hot and dry). However, some rains would cause the sag of the merlot. The berries changed color rapidly but the maturation was slow and steady through the warm days and cool nights. Finally, the grapes were harvested in ideal weather conditions at their optimal maturity. At the approach of the harvest, the level of maturity of the compounds reflected the exceptional weather conditions of 2010. This vintage rises to the level of the great vintages of reference (2000, 2005 and 2009). The wines are very colorful, powerful, with an excellent balance of acid / alcohol / tannin. The maturity is exceptional, especially as regards the accumulation of tannins, sugars and aromatic freshness. It is a great year with an excellent aging potential.

TASTING

2010 is a great vintage that is distinguished by its very straight and structured style . It is a harmony between power and finesse, with a tone of classicism and silky tannins
