

Château Haut Queyran 2018

Médoc - Cru Bourgeois

In 1964, the DEMARCHI family acquired Château Haut Queyran, formerly Domaine de Haut Brion. The vineyard is composed of 15 ha of vines in the southern part of the Médoc, on the border of St Estèphe on a clay-limestone soil. It is the perfect expression of its terroir.

Since 2001, the reins of the Château have been held by the children Demarchi, Eric and Patricia, who perpetuate the family tradition: the most total respect for the terroir.
