

Château Pontac Monplaisir 2014

Pessac-Léognan – White

« Thanks to the permanent efforts of the wine-growers in maintaining excellence, our wines make our estate a reference in the region. Our goal: performance and quality by bringing our know-how and knowledge to our vineyards »

Jean MAUFRAS

The harvest is manual with a selective shortage directly on the vines. The fermentation is realized at first in thermo-regulated vats. After the must has settled down part of the wine will be put in new barrels and the other in the barrels of a previous wine for a total of 10 months. The lees are frequently put in suspension.

Bordeaux Tradition

This white wine is supple with toasted and smoked aromas. To the palate aromas of orange dominate. This wine will be perfect for an appetizer.

Why buy this wine?

- Neighbor of the famous château Carbonnieux and Couhins
- 2012 was excellent for dry white wines
