

Château Rocbonnière 2016

Castillon Côtes de Bordeaux

Château Rocbonnière is located at the extreme west of the Côtes de Castillon, on the border of the Saint-Emilion Grand Cru appellation. Its vineyard is a few steps away from Château de Pressac. This estate belongs to the Bourrigaud family since 1999. Implanted on clay-limestone soils, the 4 hectares of vineyard are composed of Merlot (58%), Cabernet Franc (12%) and Cabernet Sauvignon (30%) with an average age of 25 years. This blend of soils and grape varieties produces aromatic wines with a deep colour, typical of the appellation.

Bordeaux Tradition's mind

A very aromatic wine. The rich, dense color comes from the Merlot, dominant in the blend. The palate, full and complex, allows the wine to be savored at an early age.

Why buy this wine ?

- ❖ A wine made with traditional methods reflecting the characteristics of its prestigious terroir
- ❖ Excellent value for money
- ❖ A gem exclusively selected by our team
- ❖ Possible exclusivities on some markets
