SAINT-ÉMILION

2024 VINTAGE

2024 is a year of conviction. A season of rare intensity, in which the teams surpassed themselves in their commitment — and a superb wine for having triumphed over doubt.

A floral palette of crimson, with violet, lilac and rose petals. Then comes the red of summer fruit: strawberries, raspberries and juicy watermelons. Green finds its way in airy touches: rosemary, mint and blackcurrant buds, as if stolen from a Sauvignon. Altogether vibrant and enveloping. Texture and tension in a single stroke. Sapid energy with a lingering saline finish, the signature of the limestone terroir.
