

2022 VINTAGE

«A thousand nuances of sunny and complex fruit emerge, like a chromatic reflection of a resilient nature. The Cabernet Sauvignons are exceptional.»

Tasting immerses us in the naturally rich, powerful world of 2022. Built around black fruit, the wine is beautifully dense with ripe, fleshy fruit such as Bigarreau cherry. This intense fruitiness is combined with the tone of citrus notes, adding a sanguine touch to the wine. Sappy touches, a tussle of complex aromas. Smooth tannins, just tightly knit enough, clad the fruit in elegance and coat the palate for a lingering finish. Mineral, almost chalky notes at the end keep the wine's energy going.

HARVEST TIME

Cabernet Sauvignon : 16 to 28 September
Merlot : 2 to 15 September
Petit Verdot : 16 September
