

ANGELUS

2019 - « LE FLAMBOYANT »

A brilliant, intense, almost dark purple colour. The cornerstone on which this vintage is built is its great aromatic purity. Black fruit and wild cherry notes come bursting to the fore, while the oak is already completely integrated. The attack on the palate is suave, while the smooth, round and enveloping tannins are cashmere-like in texture. The finish, thanks to the homogeneously high quality of the Cabernet Franc, displays notes of spice and menthol, together with lovely freshness and tension. This wine is the mirror-image of the Angelus terroir: chiselled and precise. It also offers immediate tasting appeal, which complements well the wine's elegant style. This is a wine that will go down as one of the great Angelus vintages.

Harvest: September 18th to October 9th
Blend: 60 % Merlot, 40 % Cabernet Franc
