Vinification	Concrete tanks with temperature controlled
Elevage	5% new oak barrels 47.5% of one wine old barrels 47.5% of two wines old barrels
Bottling	-
% Alc.	14,5 vol.
Tasting	<p>This is a wine with lots of character and spice; it is peppery and fresh on the nose with a pretty attack of black fruit, mint and liquorice. On the palate the texture is quite creamy, with good volume and well-integrated tannins. The finish is quite long with a spicy, chocolatey flavour. <i>(Fiona Morrison MW)</i></p> <p>With a beautiful ruby color, the Raison d'Hêtre 2020 has an expressive aromatic profile, marked by aromas of fresh fruit (cherry, sloe, blackberry) very characteristic of Merlot. Its mouth is very pleasant, soft and tasty, with a fresh finish and a gourmet structure. <i>(Axel Marchal)</i></p>
