SAINT ÉMILION GRAND CRU GRAND CRU CLASSÉ

A HISTORY OF FAMILIES AND <u>REVIVAL</u>

Solution of the second state of the second sta

As a result, after buying the property, she undertook an ambitious programme of restructuring of the viticultural and winemaking techniques.

With precision and rigour, with respect for the terroir of Saint-Emilion and the conditions specific to each vintage, Sylvie Cazes and her team have created elegant, balanced, feminine and classy wines with the potential for ageing.

VISUAL IDENTITY

In order to express the new momentum of the property and to turn ideas into actions, it became clear that a new visual identity should be adopted. Beyond the change in graphics, the purpose of this identity is to reflect the values so dear to Sylvie, her children and her team.

A Château Chauvin label that had been used in 1929 really appealed to Sylvie, who decided to use it as the model for the creation of a new label.

After that, the graphic research went back to the meaning of the word "chauvin". To be "chauvin" in French means to be proud of your land, to love your land.

To illustrate these values, a symbol was added to the original label dating from 1929: Cupid, god of Love, proudly displays a banner depicting the emblematic lion of Saint-Emilion, overlooking his land with a watchful eye.

As from 2014, this symbol will appear on the label of Château Chauvin, to represent the attachment to the terroir of Saint-Emilion.
