VINEYARD

The grapes come from clay and limestone terroir on one of the highest points of the Entre-Deux-Mers. Intelligent viticulture methods are used to protect the vines and respect their environment. The wine is vinified in stainless steel vats with skin contact maceration and low-temperature alcoholic fermentation.

TASTING

Ronan By Clinet 2019, Bordeaux Blanc is a delicate pale yellow.

Intense and pure on the nose, it unfolds aromas of pear, lemongrass and fruit drops giving it delectably tantalizing softness and depth!

Its smooth feel is mouthwatering while its perfectly mastered acidity tickles the taste buds; layers of perceptions fill the mouth, from the first lively kick to the flavours of citrus and lemon cream that develop on the palate.

The pleasure lingers with this delicious, well-balanced wine.
