BY CLINET

## 2013

### GENESIS

CLINET is engraved as part of the heritage of Pomerol, thanks to the exceptional terroir, passion and savoir-faire.

Along the same lines and integrity, with as much care that is put into the Grand Vin, CLINET has designed a new Bordeaux, RONAN.

As the fruit of a narrow partnership with producers from Francs, Lussac, Castillon, Bordeaux Supérieur, all on the right bank, RONAN holds high the colours of the Bordeaux Appellation.

### TASTING NOTES 2013

This Ronan 2013 is appetizing and predicts enjoyment.

The bouquet is reminiscent of childhood memories, with notes of strawberry, raspberry, a hint of chocolate lifted with a spray of rose perfume.

Rounded and smooth, the palate is subtle but full flavoured. Aromas of wild scrubland and spices combine with persistent red fruits.

These are the delights of a lip-smacking, elegant Bordeaux, which will accompany perfectly moments of conviviality.

Would be great with a wide range of different foods, especially with grilled meat dishes, or with French cheese.
