

RONAN

BY CLINET

GENESIS

At Clinet, everyone strives with passion to offer the finest expression of Pomerol's terroirs for the Grand Vin, and of Bordeaux for Ronan by Clinet. Ronan blanc, crafted from a vineyard with idyllic conditions, combines the liveliness of Sauvignon with the flavour of Sémillon, resulting in an original, intense wine of great freshness.

VINTAGE 2024

65% SAUVIGNON

35% SÉMILLON

12.5% ALC.

41 300 BOTTLES PRODUCED

100% SCREW CAPS

SINCE 2012

TASTING NOTES

« The 2024 vintage reveals a golden hue with crystalline reflections. The nose exudes orchard fruit aromas - apple, pear - alongside citrus zest, white flowers, and verbenas. The palate is fresh and pure, developing intense flavours of peach, lemon, spices, and aromatic herbs. The finish is long-lasting and flavourful. »

Ronan Laborde

PRESS REVIEW

« This already delicious blend of Sauvignon Blanc, with Semillon serves up its yellow citrus, flowers, orange, and pear-filled charm with ease. Perfect for tasty, uncomplicated, refreshing drinking, sitting by the pool, or with seafood, you can open and enjoy this on release. Drink from 2025-2027. » 90/100 - The Wine Cellar Insider

VINEYARD

Located in the heart of the Entre-Deux-Mers region, surrounding a limestone plateau with the same geological origin as that of Saint-Emilion. Its predominantly clay-limestone soil enhances the fruit expression. It also offers cooler clay-loam areas, perfect for white wine. Vinification takes place in stainless steel tanks with skin contact maceration and low-temperature alcoholic fermentation.
