THE VINTAGE

An astonishingly resilient vintage with a truly exceptional quality.

A magnificent vintage that, contrarily to expectations, triumphed over spring frosts, drought and heatwaves to offer **superb balance, density and freshness**.

This was a year in which the terroir demonstrated its extraordinary capacity for **resilience** when it is well cared for and the surrounding ecosystem is preserved. While, at the end of August, the gardens and trees were already showing signs of fatigue and losing their leaves due to 2022's four heatwaves and exceptional drought, the vines remained green and in excellent health.

To protect them against such extreme conditions, we have been practising **preventive measures** for several years, such as late pruning, plant cover and relatively little tillage. The vineyard was managed very carefully during July and August, by spraying calcium and clay, to give the vines relief from the heat, and aeration of the foliage around the bunches, but without thinning the leaves so as to keep some protection against the sun.

The harvests, which began on 24 August for the whites, progressed quickly without any problems, and

the last rows of Cabernet Sauvignon were picked on 29 September.

Although early, the vintage nevertheless produced **perfectly ripe grapes**, which offered superb structure.

The whites display great finesse, airiness and **surprising freshness**. They are **very elegant**, the Sauvignons are particularly expressive with an excellent tight structure. The very precise vinification and the gentle barrel-ageing have enabled a bright, lively character to be highlighted.

For the reds, the key to this vintage lies firstly in the **exceptional maturity of Malartic's Cabernet grapes**. This allowed us to obtain sumptuous wines with superb substance and a silky texture supported by a dense structure. **Malartic 2022's tannic balance** is thus particularly interesting: With plenty of freshness, the slender Merlot brings volume and softness. The spectacular Petit Verdot, with remarkable fruitiness and creaminess, contributes with the Cabernet Franc to a global freshness and aromatic richness.

Malartic 2022 reveals **tremendous harmony** and silkiness, accompanied by very elegant, finely textured tannins, **worthy the greatest vintages**.

PRESS REVIEW

**Jane Anson – En Primeur 2022

Silky black fruit, a ton of cinnamon spice, fig, graphite and smoked earth, plenty of impact and intensity, firm tannins, a trace of heat. Lovely stuff from the Bonnie family.

The fragrance of flowers blooms in the glass, while the aroma of ripe fruits permeates through, creating a delightful sensation on the palate. The wine is both clear and elegant, displaying its juicy character. With a subtle touch of saltiness and a hint of peppery spice, the rich and full-bodied wine showcases a unique style of the 91.5% Merlot blend with the essence of Cabernet Sauvignon.

The second wine of Malartic-Lagravière is the 2022 Le Comte De Malartic, and it should be rock-solid, with up-front red and black cherry-like fruits as well as some floral and earthy, herbal nuances. It's round, medium-bodied, and nicely textured, with tons of charm.

**Georgie Hindle - DECANTER -

Clean and crisp, a lovely creamy, cool minty freshness with blackcurrants, this feels really well controlled, not shouting too much but confident and really quite enjoyable. Charming and full, compact still but also generous and well worked. An impressive second wine with fruit, acidity and juiciness while still keeping the precision and detail. Lovely! Easy to recommend.

91,5% Merlot, 6% Cabernet Sauvignon, 2,5% Petit Verdot
La dominance du Merlot est évidente. Pas seulement sur le papier, avec 91,5%, mais d'un point de vue olfactif. Le bouquet est gourmand... et frais ! L'attaque maintient le cap vers le charme, mais la structure tannique ne se laisse pas impressionner et met une argumentation convaincante en avant qui confère de la dimension à ce vin. Un Pessac-Léognan invitant et prometteur !
2024-2032 90/100

**Lisa Perotti Brown – 2022
Primeurs – May 2023
88-90**

The 2022 Le Comte de Malartic Rouge is deep garnet-purple in color. It flows effortlessly from

the glass with open-knit notes of juicy black plums, redcurrant jelly, and boysenberries, leading to wafts of wet pebbles and sauteed herbs. The medium-bodied palate is chock full of bright red and black fruit, with soft tannins and a refreshing finish.
