BOUSCAUT ROUGE 2020

93 Bouscaut progresse encore. Les vins sont plus charnus tout en conservant l'élégance. Nez de cassis, fruits compotés. Une extraction très maîtrisée qui donne une matière ronde, gourmande et enveloppante, sur des tanins soyeux tout en conservant la finesse. « Grand fruit ! » dira un membre du jury

91-92 Round-tanned sample with plushness and softness and plenty of blueberry and blackberry character. Some pine needle and hints of fresh herbs.

92-94 Deep dark ruby, opaque core, purple reflections, bright rim. Delicate chocolate background of black wild berries, ripe cherries with hints of noble wood. Good complexity, ripe plums, vivid tannins, pleasant acid structure, salty-mineral finish. Good ageing potential.

92 Dark purple colour with violet hue and black core. aromatic nose with ripe berries and discreet spices, elegant character, slightly closed. On the palate firm yet ripe tannins, very good length, juicy fruits, and fresh character in the aftertaste.

Silky in texture, with fruits that are concentrated and almost dried, some clear fig and almost raisin notes alongside black pepper spice and a nice twist of lime tang on the finish. Clear personality, but lacks some juice through the palate. There is a good sense of pep on the

91 VERY GOOD Some caramel and toast with black currant and ripe plum notes. Rather dense palate with youthful but ripe tannin, discreet wood in the background, medium weight with youthful dense fruit and good length with some toasted flavours.

90 - 92 Une texture fine, une pointe de douceur dans la chair merlotée (63 % de l'assemblage) et une bonne fraîcheur qui irrigue l'ensemble. Ce 2020 ... est un vrai bordeaux, fin et délié.
