

# LA PETITE LUNE

GRAND VIN DE BORDEAUX

**Bordeaux is world famous  
for its Grands Crus.**

It is on beautiful soils probably a little less known in Bordeaux that we have asked our consultant Stéphane Derenoncourt at Domaine de Chevalier to vinify for us nice batches selected among winemakers dedicated to their work.

The objective is clear: to make “La Petite Lune” a beautiful wine, elegant but charming, that reflects my values.  
Enjoy your tasting,

The Moon shines  
above each of us ...

### TASTING

Bright dark red color.

Intense bouquet of ripe wild red and black fruits and spicy tannins. Cherry and blackberry are well present, indicating the dominance of Merlot.

Full-bodied and corpulent palate. pulpy and silky, protected by very fine tannins and good acidity from the Cabernets.

Nice freshness.

Very pleasant to taste now with good aeration.

The tannins will refine and become rounder after some time in the cellar. Drink from 2024 to 2030, at 17°C.
