## BORDEAUX

**LA PETITE LUNE**  
Bordeaux is world famous  
for its Grands Crus.

It is on beautiful soils probably a little less known in Bordeaux that we have selected nice batches of winemaker dedicated to their work.

The objective is clear: to make LA PETITE LUNE a beautiful wine, elegant and charming, that reflects my values.

Enjoy your tasting...

### TASTING

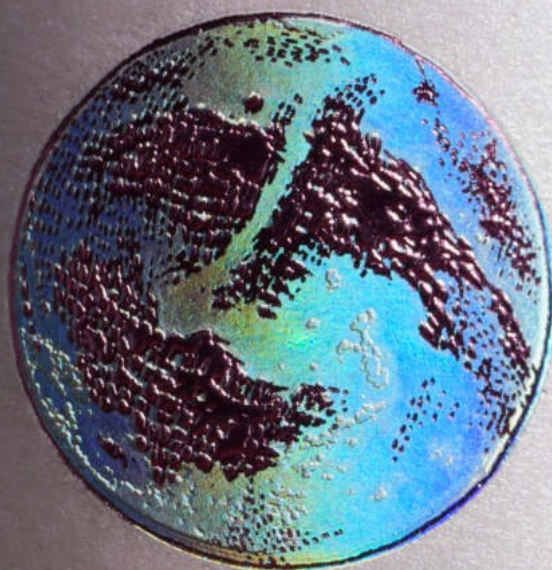

Soft and delicate hue of bright pastel pink. Brilliant flavors of perfectly ripe and slightly tangy fresh berries. A subtil cocktail of aromas sustained with intense notes of raspberry, currant and wild strawberry. Fresh, clean, charming and attractive bouquet.

The palate shows generous, energetic and greedy flavors fully consistent with the nose. Really well balanced among smoothness, acidity and freshness. Nice long fruity finish.. Drink at 10 °C
