

LA PETITE LUNE

GRAND VIN DE BORDEAUX

**Bordeaux is world famous
for its Grands Crus.**

It is on beautiful soils probably a little less known in Bordeaux that we have asked our consultant Stéphane Derenoncourt at Domaine de Chevalier to vinify for us nice batches selected among winemakers dedicated to their work.

The objective is clear: to make “La Petite Lune” a beautiful wine, but elegant charmer, that reflects my values.

Enjoy your tasting,

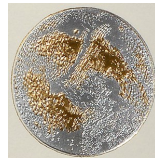

The Moon shines
above each of us ...
